The Space for Real Work

On Snakehall Farm

18 acres of organic farming, chickens, produce filled polytunnels, tools, workshops and machinery, not forgetting Tilly Tractor! We have space for everyone to grow their talents while enjoying our peaceful patch of Cambridgeshire countryside. We have a fully accessible farm and Enterprise Kitchen adapted to meet the needs of all of our productive people. Our Farm Gates are open to Co-workers and volunteers Monday to Friday. We run Volunteer Green Bootcamps on Saturdays and the onsite Farm Shop is open dawn til dusk!

At Unwrapped

A real shop with a window into our charitable enterprise, Unwrapped has created a new way to shop local for Ely. With a refill wall of organic staples, liquid refills on pump, a food servery with seasonal bakes, lunches and barista pro coffee all served by our trainee Co-workers and best of all it's plastic free. This is the future of sustainable enterprise. Unwrapped takes Farm to Fork in less than 14 miles, how fresh is that? Co-workers can access accredited training in retail and catering, working Monday to Saturday in our busy shop.

On the Garden Team

We offer placements on our commercial garden team Monday to Friday, based at Snakehall Farm the Garden Team operate in a 20 mile radius, tending regular customer's gardens, tackling one off clearance jobs and testing their horticultural skills in new landscaping and maintenance projects. Our Garden Team are out and about in the community showcasing their talents daily.
